Salt Lake City, UT 84180-1203

Dear Mr. Hedberg,

The accompanying map marked in red shows the areas disturbed by the recent drilling in the yellow hammer claim group, outside the pit. The majority of the work followed older existing roads that were redisturbed. The disturbed areas are numbered A-H. The measurements of each disturbed area is as follows:

	(x)	(ft ²)
A.	225' - 18'	= 4050
B.	180' - 20'	= 3600
C.	400' - 16'	= 6400
D.	110' - 26'	= 2860
E.	30' - 30'	= 900
F.	180' - 25'	= 4500
G.	40' - 40'	= 1600
H.	150' - 18'	= 2700

$$26,610 = 0.61 A.$$

The drill holes are marked in black and outlined in yellow. The map scale is 1 - 400. It is a copy of an actual aerial photograph dated 6/20/87 of the yellow hammer pit. If you have any questions please call us.

Thank You

William Moeller
